ASSISTANT COMMISSIONER FOR PATENTS
WASHINGTON, D.C. 20231

SIR:

In response to the Official Action of June 14, 2002, Applicant elects, with traverse,
Group I.

IN THE SPECIFICATION

Please amend the specification as shown in the attached marked-up copy to read as
follows:

Page 14, line 17 to page 15, line 17, please replace the paragraph with the following
paragraph:

A1
To obtain isolated and purified GlcNAc-phosphotransferase and its subunits and the
nucleic acid molecules encoding the enzyme according to the present invention, bovine
GlcNAc phosphotransferase was obtained and analyzed as follows. Splenocytes from mice
immunized with a partially purified preparation of bovine GlcNAc-phosphotransferase were
